Dear Dermatologist colleagues and friends,

Namaste and warm welcome to the 5th Edition of Open House Conclave on Clinical Dermatology which is going to be organised in New Delhi on March 8th and 9th, 2025! We are thrilled to bring together renowned experts, clinicians, and highly thought of leaders in dermatology under one roof. This conclave aims to provide a platform for two-way knowledge sharing, practice tips, discussions, and debates on the latest advancements and challenges in dermatology. Highlights of the conference include:- Uninhibited Q&A sessions until every question is answered- Everyone is a speaker- Keynote addresses from esteemed experts- Panel discussions covering the latest advancements and challenges in dermatology- Insights into skin health, dermatological research, and cutting-edge insight. Let us come together to learn, grow, and pave the way for a healthier and more radiant future for all.

Join us in the capital City of India, the ever vibrant New Delhi, and experience the perfect blend of cultural richness and scientific excellence! New Delhi, a city that seamlessly merges its historic charms with modern allure, is the perfect backdrop for this conference. Explore the iconic Red Fort, Qutub Minar, and India Gate, and immerse yourself in the warmth of Indian Hospitality. But that's not all!!our conference promises to be a powerhouse of knowledge and insight, with renowned experts and professionals in dermatology sharing their expertise on various topics in dermatology.

Don't miss this incredible opportunity to learn, network, and grow in the company of fellow dermatology enthusiasts! Register now and get ready to experience the magic of New Delhi, combined with the latest advancements in clinical dermatology. We look forward to welcoming you to this unforgettable event!

IDEA OF OPEN HOUSE IN BRIEF

- It is a conference having a difference of idea and implementation with a wide coverage on difficult to think of, topics in clinical dermatology. A conference, where it is imperative for every delegate to participate in the scientific programme.
- No or minimal ppt during talks. Printed handouts are being planned for every session to promote eye contact between the moderator, panelists and the audience.
- This conclave is all about shared responsibility between pharma and organizers. All participating pharma houses have to work with each other (other pharma houses) in coordination.
- Pharma industry is invited/allowed to attend the scientific sessions with in the hall. Few sessions are being planned about the molecules, vehicle, carrier, drug interactions of main molecules in dermatology.
- No frills. it is going to be India's first full green environment friendly dermatology conference. Maximum sessions are panel discussions. 20 min solo talk on the topic to set the rhythm, 30 min panel discussion, 10 min audience questions.
- 8th, March Saturday (Day 1) : 8 sessions, 11am to 7pm without break in the flow. Final session of the day will be Open House which will last till all the queries of audience are answered.
- 9th, March Sunday (Day 2) : 8 Sessions : 9am to 5:30pm, Final session will be Open House.
- Turning the tables session (first of it's kind in India) with the live patients in or around the lunch hour.
- One moderator for each session who will be selected before hand, 4-6 on the spot panelists from the audiences. Unbiased unique opportunity for every delegate to actively participate in the scientific programme. No chair persons.
- No banners, no posters, total environment friendly conference.
- All the delegates will be part of the scientific programme. All of them will be either moderator or panelists. The list of the registered / interested delegates would be handed over to pharma houses.
